How to influence behaviour

We have always known that it is difficult to influence behaviour. The Covid-19 pandemic has shown just how difficult it is.

Every workplace has set policies, rules and procedures but leaders at all levels as well as health and safety reps have a tough time getting everyone to comply. That is why this issue is always a hot topic.

What qualifies Makheni to speak on this topic?

Not only has Makheni majored Psychology but she also studied applied psychology in fields such as sales and marketing. I can't think of a better way of learning how to influence behaviour.

She has years of experience in presenting this topic to workplace leaders, health and safety reps, works councils, educators and parents
